

Visual Fault Locator

General Specification:

Brand	atop
Part Number	VFL-30W-AT
Laser output	30 mw
Laser wavelength	650 nm
Laser distance	up to 25 km
Fiber Applications	Single-Mode / Multimode
Connectors	1.25 mm connector FC (or) 2.5 mm universal connector
Features	continuous wave and pulsed mode, constant output power
Power	2 AAA batteries (not included)
Shell material	Aluminum
Dimensions	175 mm long x 26 mm diameter

Part Number:

Item Name	Part Number
Visual Fault Locator	VFL-30W-AT
